**Re: Petition of Lynwood Utility Corporation to Change and Increase Rates and Charges
Docket No. 99-00507**

Dear Richard:

When the Authority acted on Lynwood's rate petition at the Authority Conference on February 29, 2000, the Authority left this docket open to consider three additional issues. One of these issues related to the waiver of tap fees by the previous owner of Lynwood, David Terry, for lots in the Legends Ridge Subdivision. The Authority directed that a subpoena be issued to Mr. Terry to appear before it on this issue.

After the Conference the President of Lynwood, Davis Lamb, advised me that Lynwood and Smith Crowe Wilson, LLC were currently in negotiations with Mr. Terry to resolve several issues including the tap fees that were waived for lots in Legends Ridge. Mr. Lamb anticipates that a settlement will occur within the next couple of weeks. Mr. Lamb is concerned that the issuance of a subpoena by the Authority to Mr. Terry will adversely impact these settlement negotiations.

Therefore, I would respectfully request that on behalf of Lynwood that the Authority delay issuing a subpoena to Mr. Terry for approximately three weeks until March 27, 2000 to give Lynwood a time to complete these settlement negotiations. Thank you for your consideration of this request.

Sincerely yours,

Donald L. Scholes
